WHO WE ARE

A team of professionals with extensive experience in engineering, fabrication and construction, dedicated to delivering reliable, safe and efficient solutions.

WHAT WE DO

We provide end-to-end solutions covering engineering, fabrication, supply and installation for steel structures, metal works and specialized contracting services.

OUR STRENGTH

EXPERTISE

Skilled team with deep technical knowledge and practical experience.

INTEGRATION

Integrated approach from engineering to installation for seamless delivery.

QUALITY

Committed to the highest standards in quality and workmanship.

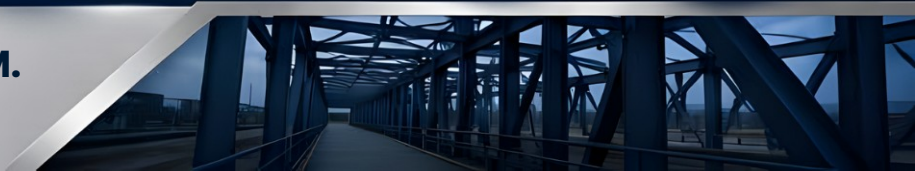

SAFETY

Safety is our priority in every project and ever work environed

PARTNERSHIP

Building long term relationships based on trust, integrity and performance.

> **ENGINEERED TO PERFORM.
> BUILT TO LAST.**

AL RAYYAN
SPECIALIZED

VISION, MISSION & VALUES

Guided by a clear vision and driven by strong values, we are committed to building a better future.

VISION

To be a leading engineering and contracting company in the region, recognized for innovation, quality and sustainable growth.

MISSION

To deliver integrated engineering, metal works and contracting solutions that meet the highest standards of quality, safety and reliability while creating value for our clients, partners and communities.

CORE VALUES

QUALITY

We are committed to delivering superior quality in everything. we do.

SAFETY

We prioritize the safety of our people, projects and communities.

INTEGRITY

We conduct our business with honesty transparency and accountability.

INNOVATION

We embrace new technologies and ideas to deliver smarter solutions.

TEAMWORK

We believe in the power of collaboration to achieve shared success.

> Our vision shapes our future, our mission drives us forward, our values define who we are.

AL RAYYAN
SPECIALIZED

OUR SERVICES

We deliver integrated engineering, manufacturing and contracting solutions tailored to meet our clients' needs with the highest standards of quality and safety.

WHAT WE OFFER

ENGINEERING

Advanced engineering solutions including design, analysis, detailing and shop drawings to ensure precision and optimal performance.

FABRICATION

In-house fabrication with modern equipment and skilled workmanship to deliver high quality metal products on time.

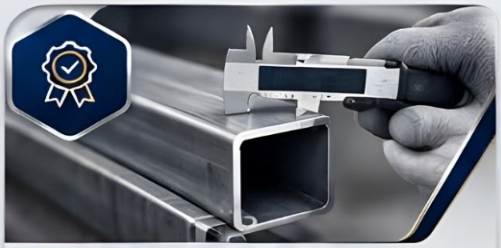

METAL WORKS

Supply, fabrication and installation of structural and architectural metal works for various projects and applications.

CONTRACTING

End-to-end contracting services covering execution, site management and project delivery with efficiency and excellence.

QUALITY CONTROL

Strict quality control processes and inspections to ensure compliance with international standards and client requirements.

CUSTOMIZED SOLUTIONS

Tailored solutions that meet the specific needs of each project with flexibility and innovation.

"Our commitment is to deliver **Reliable Solutions, Built on Trust.**"

Safety First
People and safety are at the core of everything we do.

Client Focused
We listen, we care and we deliver what matters.

On Time
We value time and commitment on every project.

High Standards
We never compromise on quality and performance.

AL RAYYAN
SPECIALIZED

OUR CAPABILITIES

We combine engineering excellence with advanced fabrication capabilities and efficient project execution to deliver reliable and high-quality results.

ENGINEERING EXPERTISE
Advanced design, analysis and detailing using industry-leading tools and standards.

CUSTOM FABRICATION
Precision fabrication of structural steel and metal works with strict quality control.

ADVANCED TECHNOLOGY
Modern machinery and skilled workforce to handle complex fabrication requirements.

PROFESSIONAL CONTRACTING
Safe and efficient execution of projects from supply to installation.

QUALITY & COMPLIANCE
Commitment to quality, safety and compliance with international standards.

KEY STRENGTHS

50+ SKILLED PROFESSIONALS

1500+ TONS CAPACITY PER YEAR

1000+ m² FABRICATION FACILITY AREA

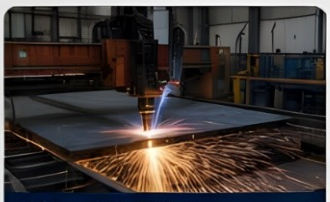

100+ SUCCESSFUL PROJECTS

100% COMMITMENT TO QUALITY & SAFETY

OUR FACILITIES & EQUIPMENT

Equipped with state-of-the-art machinery and spacious workshop facilities to ensure precision, efficiency and timely delivery.

- Modern & Well-Maintained Machinery
- Skilled Operators & Technicians
- Efficient Processes & On-Time Delivery

CNC PLASMA CUTTING MACHINE

CNC PRESS BRAKE BENDING MACHINE

FIBER LASER CUTTING MACHINE

ROBOTIC WELDING SYSTEM

SHOT BLASTING MACHINE

SPACIOUS WORKSHOP & STORAGE AREA

"Our capabilities, your **competitive advantage.**

AL RAYYAN
SPECIALIZED

OUR PROJECTS

We are proud to be part of landmark developments across the Kingdom of Saudi Arabia, delivering specialized metal works solutions in collaboration with leading contractors and project teams.

Our focus is on providing engineered, reliable and high-quality metal solutions that meet the highest standards of performance and durability.

SELECTED PROJECTS

We deliver specialized metal works and architectural solutions for major projects across diverse sectors throughout the Kingdom.

KSU – KING SALMAN UNIVERSITY

- King Salman Knowledge District, Diriyah
- **Main Contractor:** El Seif & CSCEC JV
- **Our Scope of Work:** Fabrication of Hot-Dip Galvanized Shelf Angle Systems

QIDDIYA PROJECT

- Qiddiya City, Riyadh
- **Main Contractor:** Binyah
- **Our Scope of Work:** Aluminum Access Hatches

KSP – KING SALMAN PARK

- King Salman Park, Riyadh
- **Main Contractor:** RTTC
- **Our Scope of Work:** Access Hatches and Louvers

"Building partnerships.
Delivering solutions.
Creating **lasting impact.**

PROJECT 01

KSU – KING SALMAN UNIVERSITY

King Salman Knowledge District, Diriyah

Location:
King Salman Knowledge District, Diriyah

Main Contractor:
El Seif & CSCEC JV

Our Scope of Work:
Fabrication, Hot-Dip Galvanizing, Supply & Installation of Shelf Angle Systems

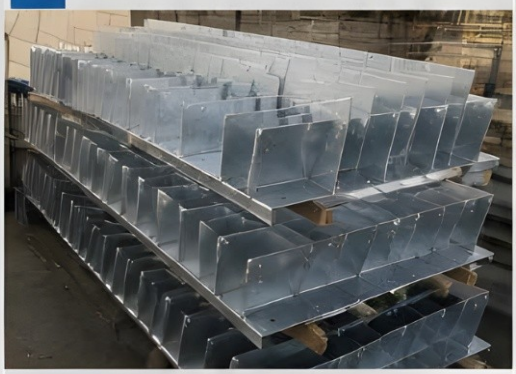

We engineered, fabricated and installed high-quality galvanized shelf angle systems in accordance with approved shop drawings and project specifications, ensuring durability, precision and reliable performance on site.

**ENGINEERED FOR STRENGTH.
BUILT FOR LASTING PERFORMANCE.**

FROM FABRICATION TO INSTALLATION

01 FABRICATION & HOT-DIP GALVANIZING

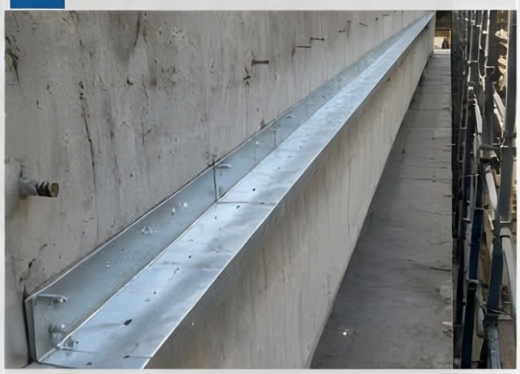

Precision fabrication followed by hot-dip galvanizing for superior corrosion protection and long service life.

02 SITE INSTALLATION

Skilled installation by our team in compliance with project requirements and safety standards.

03 CONTINUOUS SHELF ANGLE SYSTEM

Continuous and uniformly aligned shelf angle system providing reliable support for blockwork and associated loads.

PRECISION IN EVERY DETAIL

Accurate alignment, proper fixing and quality fastening to ensure safety, stability and long-term durability.

Quality materials. Skilled hands.
Reliable results.
That's our commitment.

KSP – KING SALMAN PARK

SPECIALIZED METAL WORKS

King Salman Park, Riyadh

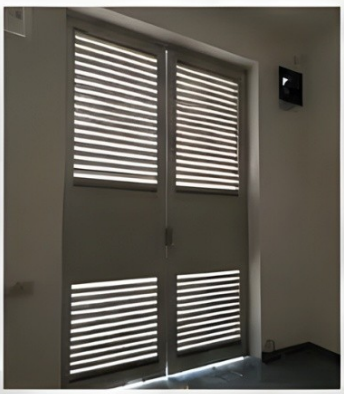

MAIN CONTRACTOR:
RTTC

SCOPE OF WORK:
Access Hatches & Louvers

We supplied and installed high-quality access hatches and louvers that meet architectural requirements and ensure optimal ventilation, safety and functionality.

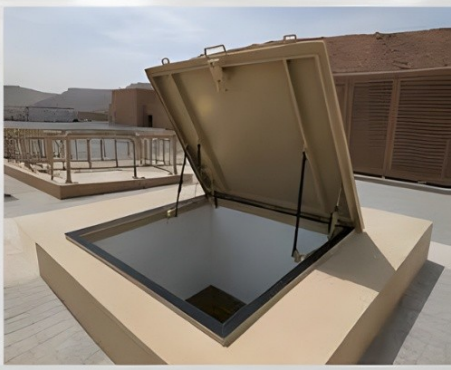

// LOUVERS

// ACCESS HATCHES

QIDDIYA PROJECT

SPECIALIZED METAL WORKS

Qiddiya, Riyadh

MAIN CONTRACTOR:
Binyah

SCOPE OF WORK:
Aluminum Access Hatches

We fabricated and supplied custom-made aluminum access hatches designed for durability, strength, and reliable performance to meet the demanding requirements of the project.

DURABLE ALUMINUM
High-quality aluminum checker plate for long-lasting performance and corrosion resistance.

SMOOTH OPERATION
Gas struts ensure effortless opening and safe access.

STRONG CONSTRUCTION
Welded aluminum frame and supports provide maximum strength and stability.

WEATHER SEAL
EPDM gasket provides excellent protection against dust and water ingress.

Engineered for performance.
Built to last.
Delivered with commitment.

ENGINEERING & TECHNICAL CAPABILITIES

FROM CONCEPT TO COMPLETION

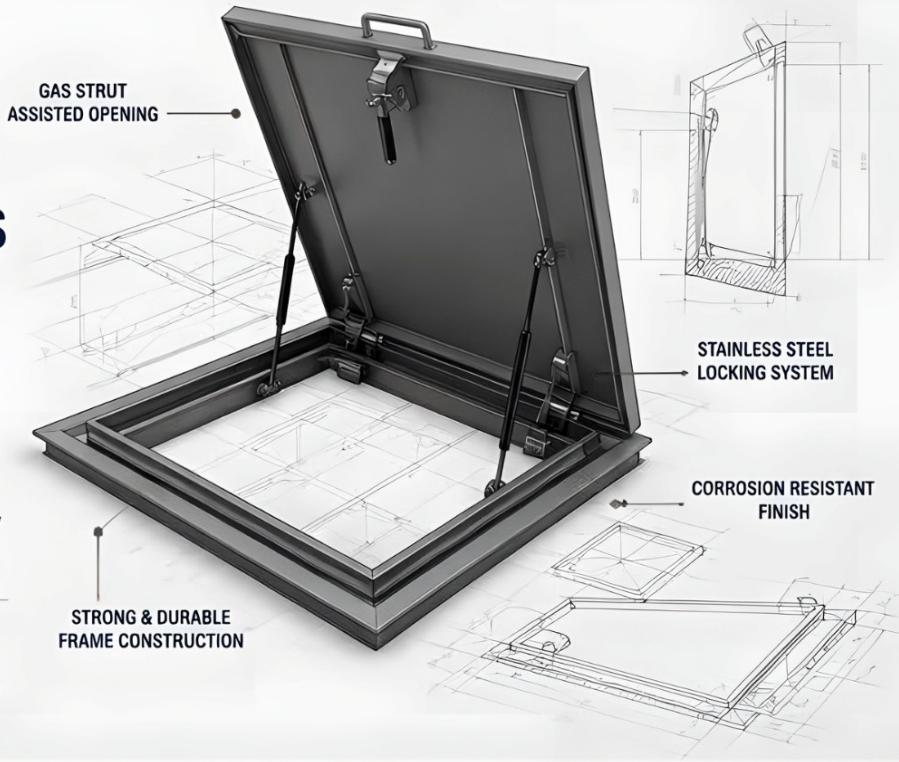

At Al Rayyan Specialized, we combine engineering expertise, advanced manufacturing and rigorous quality control to deliver reliable and efficient metal solutions for every project.

ENGINEERING EXCELLENCE
Experienced engineering team using advanced analysis and design software.

QUALITY ASSURANCE
Strict quality control at every stage to ensure compliance with international standards.

SAFETY FIRST
Committed to HSE standards and safe working practices on all our sites.

CLIENT FOCUS
Collaborative approach to understand client needs and deliver optimal solutions.

OUR WORK PROCESS

01 **CONCEPT & REQUIREMENT**
Understanding client needs and project requirements.

02 **DESIGN & ANALYSIS**
3D modeling and structural analysis for optimal solutions.

03 **SHOP DRAWINGS**
Detailed shop drawings and technical documentation.

04 **MATERIAL SELECTION**
High quality steel, aluminum & stainless steel materials.

05 **FABRICATION**
Precision cutting, welding and assembly in our facilities.

06 **QUALITY CONTROL**
Inspection and testing at every stage to ensure quality.

07 **SITE INSTALLATION**
Safe delivery and professional installation on site.

OUR CAPABILITIES

STRUCTURAL STEEL
Design, fabrication and installation of structural steel works.

SPECIALIZED METAL WORKS
Access hatches, louvers, screens, handrails and custom metal works.

ALUMINUM & STAINLESS STEEL
High quality aluminum and stainless steel fabrication and installation.

TECHNICAL SUBMITTALS
Material submittals, method statements and compliance documentation.

SHOP DRAWINGS & BIM SUPPORT
Detailed shop drawings and BIM coordination for accurate execution.

PRECISION FABRICATION

ADVANCED CUTTING TECHNOLOGY

HIGH QUALITY ASSEMBLY

HOT-DIP GALVANIZING

ACCESS HATCHES PRODUCTION

LOUVERS & SCREENS INSTALLATION

STANDARDS WE COMPLY WITH

ISO 9001:2015 | ISO 45001:2018 | ISO 14001:2015 | ASTM INTERNATIONAL | AISC CERTIFIED FABRICATOR

OUR KEY STRENGTHS

QUALITY YOU CAN TRUST | ON-TIME DELIVERY | SKILLED WORKFORCE | COST EFFECTIVE SOLUTIONS

Engineered for performance.
Built to last.
Delivered with commitment.

QUALITY, SAFETY & PROCEDURES

Quality and safety are at the core of everything we do. We follow well-defined procedures and rigorous inspections at every stage to ensure high standards, reliability and client satisfaction.

OUR PROCEDURE FLOW

01 MATERIAL INSPECTION & TRACEABILITY
All incoming materials are inspected and verified against specified requirements.

02 FABRICATION CONTROL
Controlled cutting, forming and assembly processes with in-process dimensional checks.

03 WELDING PROCEDURE
Welding performed by skilled personnel using approved procedures and settings.

04 SURFACE TREATMENT & FINISHING
Galvanizing, painting and finishing as per project specifications and inspection.

05 INSTALLATION PROCEDURE
Site verification, setting-out, safe lifting, fixing, alignment and tightening as per approved method.

06 QUALITY CONTROL & INSPECTION
In-process and final inspections to ensure compliance with project requirements.

07 HANDOVER & DOCUMENTATION
Final review, documentation submission and handover to the client.

OUR QUALITY COMMITMENT

- Commitment to quality in every detail
- Continuous improvement of our systems and processes
- Customer satisfaction through reliable and consistent delivery
- Skilled workforce & modern equipment

SAFETY FIRST

- We prioritize the health and safety of our people
- PPE and safe working procedures are mandatory
- Regular toolbox talks and safety briefings
- Work-at-height and lifting controls strictly enforced

OUR KEY QUALITY PRACTICES

- Skilled & Experienced Workforce
- Modern Machinery & Equipment
- In-Process Inspection at Every Stage
- Compliance with Project Specifications
- On-Time Delivery & Handover
- Professional Approach & Accountability

OUR WORK ENVIRONMENT

We maintain a clean, organized and well-managed workshop and site environment to ensure productivity, quality and safety.

ORGANIZATION CHART

Our organization is structured to ensure efficient management, clear communication and effective execution of projects.

BOARD OF DIRECTORS

MANAGING DIRECTOR

OPERATIONS & PROJECTS
- Project Management
- Site Execution & Supervision
- Planning & Scheduling

ENGINEERING & TECHNICAL
- Technical Office
- Design & Analysis
- BIM & Drafting
- Quantity Surveying

PRODUCTION & FABRICATION
- Production Planning
- Fabrication & Welding
- Quality Control & Inspection
- Stores & Materials

COMMERCIAL & PROCUREMENT
- Estimation & Tendering
- Contracts Management
- Supplier & Procurement

FINANCE & ADMINISTRATION
- Accounting & Reporting
- HR & Payroll
- Admin & Compliance

ONE TEAM. ONE STRUCTURE.
ONE COMMITMENT TO EXCELLENCE.

We work together with clear roles, strong coordination and shared responsibility to deliver value, quality and long-term success for our clients.

MANAGEMENT & KEY PERSONNEL

Our management team brings together extensive industry experience, technical expertise and strong leadership to drive our vision, uphold our values and deliver excellence in every project.

MANAGING DIRECTOR

Overall leadership and strategic direction of the company.

- Define company vision, mission and strategy
- Oversee overall performance and growth
- Ensure financial sustainability and risk management
- Build strategic partnerships and business development
- Ensure governance, compliance and corporate values

OPERATIONS & PROJECTS MANAGER

Leads project execution and ensures efficient operations.

- Plan, execute and deliver projects on time and within budget
- Coordinate site operations and resources
- Monitor progress, quality and safety on site
- Manage project teams and subcontractors
- Ensure client satisfaction and effective communication

ENGINEERING & TECHNICAL MANAGER

Provides engineering leadership and technical solutions.

- Review and interpret drawings and technical requirements
- Prepare shop drawings, calculations and method statements
- Design and develop metal solutions
- Manage technical office and engineering standards
- Ensure accuracy, compliance and innovation in design

PRODUCTION & FABRICATION MANAGER

Oversees manufacturing operations and workshop performance.

- Plan and control production schedules
- Manage fabrication, welding and assembly processes
- Ensure quality, efficiency and productivity
- Maintain equipment, tools and workshop facilities
- Implement continuous improvement in production

COMMERCIAL & PROCUREMENT MANAGER

Manages commercial activities and supply chain.

- Prepare quotations and manage tenders
- Procure materials, equipment and subcontractors
- Negotiate contracts and supplier agreements
- Manage cost control and value engineering
- Build and maintain strong supplier relationships

FINANCE & ADMINISTRATION MANAGER

Manages financial operations and administrative functions.

- Financial planning, budgeting and reporting
- Accounting, payroll and cash flow management
- Ensure compliance with policies and regulations
- Oversee HR, administration and company services
- Support efficient and effective daily operations

OUR MANAGEMENT APPROACH

LEADERSHIP. ACCOUNTABILITY. PERFORMANCE.

We believe strong leadership and clear accountability are the foundation of our success. Our management team works collaboratively with all departments to achieve operational excellence, ensure client satisfaction and deliver long-term value.

- STRATEGIC LEADERSHIP
- EFFECTIVE COMMUNICATION
- CONTINUOUS IMPROVEMENT
- INTEGRITY & COMMITMENT

Workflow Review History

The attached document(s) have completed the "WS-WSI-095-0000-RTC-MAT-ME-000063 - Material & Technical Submittal of WATER TANK [GI] AIR VENT for Potable & Irrigation Pump Stations_(AL RAYAN) PK02 (RO)" workflow with the following results. B-Approved with Comments

HSE MANAGEMENT

At Al Rayyan Specialized, Health, Safety and Environment (HSE) is an integral part of our business culture. We are committed to providing a safe and healthy working environment, preventing injuries and ill-health, and minimizing our environmental impact.

OUR COMMITMENT

SAFETY FIRST
We prioritize the safety of our employees, subcontractors, visitors and the community.

LEGAL & OTHER REQUIREMENTS
We comply with all applicable legal and other requirements related to HSE.

ENVIRONMENTAL PROTECTION
We are committed to preventing pollution and conserving resources through sustainable practices.

TRAINING & AWARENESS
We provide continuous training and awareness to ensure competence and promote HSE responsibilities.

CONTINUAL IMPROVEMENT
We continually review our HSE performance and strive for ongoing improvement.

HSE MANAGEMENT SYSTEM

Our HSE Management System is established in accordance with international standards and best practices, including:

- ISO 45001:2018 – Occupational Health & Safety Management System
- ISO 14001:2015 – Environmental Management System
- Applicable local regulations and client requirements

The system is implemented across all our operations and sites.

HSE OBJECTIVES

- Prevent injuries and occupational illnesses.
- Reduce environmental impact and promote sustainability.
- Ensure compliance with all applicable requirements.
- Enhance HSE awareness and competence.
- Continuously improve our HSE performance.

OUR HSE PRINCIPLES

- Leadership commitment and accountability
- Hazard identification and risk management
- Planning and implementation of controls
- Consultation and participation of workers
- Monitoring, audit and performance review

We believe that an effective HSE culture is the key to a sustainable business and the well-being of our people.

QA/QC MANAGEMENT

At Al Rayyan Specialized, we are committed to delivering projects and products that consistently meet or exceed client expectations and applicable standards through an effective Quality Assurance and Quality Control (QA/QC) management system.

OUR COMMITMENT

QUALITY FIRST
We are committed to achieving the highest quality in everything we do.

COMPLIANCE
We comply with all applicable standards, specifications and client requirements.

PREVENTION
We focus on prevention through rigorous planning, inspection and testing to eliminate defects.

COMPETENCE
We ensure the competence of our people, systems and suppliers to deliver quality results.

CONTINUAL IMPROVEMENT
We continually monitor and improve our processes to enhance quality performance.

QA/QC MANAGEMENT SYSTEM

Our QA/QC Management System is established in accordance with international standards and best practices, including:

- ISO 9001:2015 – Quality Management System
- Project specifications and contractual requirements
- Applicable codes, standards and client procedures
- Internal procedures, ITPs and inspection plans

The system is implemented across all our operations and ensures quality at every stage of our projects.

QA/QC OBJECTIVES

- Deliver quality work that meets or exceeds client expectations.
- Ensure compliance with all applicable standards and requirements.
- Prevent defects and rework through effective planning and inspection.
- Enhance customer satisfaction and strengthen our reputation.
- Continuously improve our QA/QC processes and performance.

OUR QA/QC PRINCIPLES

- Quality Planning
- Inspection & Testing
- Documentation & Records
- Supplier Quality Management
- Training & Competence
- Monitoring & Continuous Improvement

Quality is not just our goal, it is our standard. We are committed to delivering excellence in every detail.

MACHINERY & EQUIPMENT

We are equipped with a wide range of advanced machinery and equipment that enable us to deliver high precision, efficiency and superior quality in every project we undertake.

OUR KEY MACHINERY

01 CNC PRESS BRAKE BENDING MACHINE

02 CNC FIBER LASER CUTTING MACHINE

03 CNC MACHINING CENTER (WEIDA)

04 CNC LATHE MACHINE

05 VERTICAL TURNING MACHINE

06 MILLING MACHINE

07 SURFACE GRINDING MACHINE

08 AIR COMPRESSOR & ANCILLARY EQUIPMENT

WORKSHOP & PRODUCTION FACILITIES

Our workshop and production facilities are equipped with modern infrastructure, advanced machinery and skilled workforce to ensure high precision, efficiency and consistency in every stage of production.

OUR FACILITIES OVERVIEW

- ADVANCED MACHINERY
- SKILLED & EXPERIENCED WORKFORCE
- HIGH SAFETY STANDARDS
- EFFICIENT PRODUCTION PROCESS
- CONSISTENT QUALITY & PRECISION

SPACIOUS & WELL ORGANIZED WORKSHOP

CNC FIBER LASER CUTTING MACHINE

ENGINEERING & DESIGN
SOFTWARE / TECHNICAL OFFICE

Our engineering and technical office is supported by a team of experienced engineers and designers using advanced software tools to deliver accurate designs, detailed drawings, and efficient solutions that meet international standards and project requirements.

OUR ENGINEERING CAPABILITIES

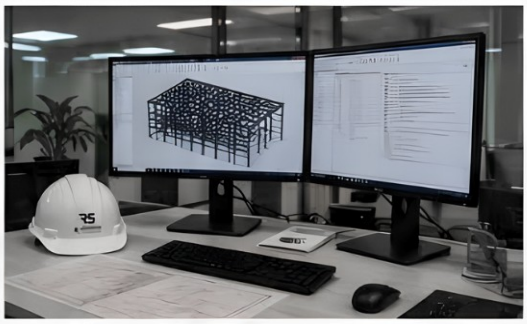

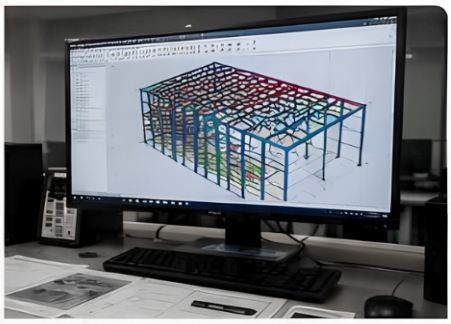

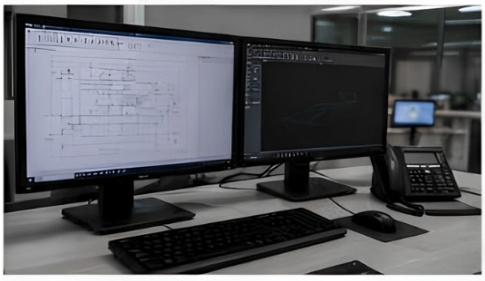

- Concept to Detailed Design
- 3D Modeling & Visualization
- Shop Drawing & Fabrication
- Structural Analysis & Calculations
- Quantity Take-off & BOQ
- Coordination & Interdisciplinary Review

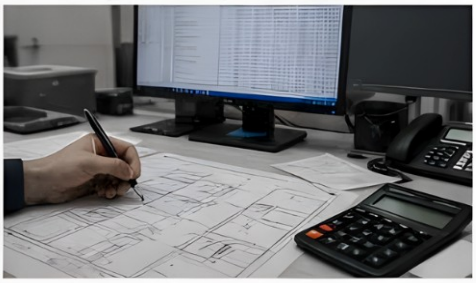

ENGINEERING & DESIGN SOFTWARE

AUTODESK AUTOCAD	AUTODESK INVENTOR	SAP2000	RFEM	Dlubal	Microsoft Excel
2D drafting, detailing and documentation.	3D mechanical design and modeling.	Structural analysis and design.	3D structural analysis and design.	Structural design and BIM solutions.	Calculations, BOQ and data management.

OUR TECHNICAL OFFICE

OUR WORKFLOW

Client Requirements → Concept & Design → 3D Modeling & Analysis → Shop Drawings & Documentation → Quantity Take-off & BOQ → Review & Approval → Production & Execution Support

PROJECT EXECUTION & SITE CAPABILITIES

We deliver projects with precision, efficiency and the highest standards of safety and quality. Our experienced teams, robust planning and advanced equipment ensure successful execution from start to completion.

OUR SITE CAPABILITIES

EXPERIENCED TEAM
Skilled engineers, supervisors and workers ensure quality execution.

SAFETY FIRST
Strict HSE practices and risk management on all our projects.

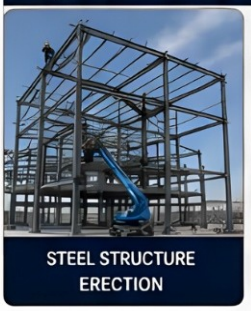

EFFICIENT PLANNING
Effective planning and scheduling to meet project timelines and milestones.

MODERN EQUIPMENT
Well maintained equipment and tools to handle various project requirements.

QUALITY ASSURANCE
Continuous quality control and inspections to ensure excellence.

ON-TIME DELIVERY
Commitment to deliver projects safely, on time and within budget.

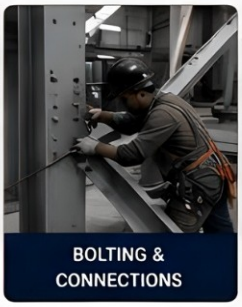

OUR CORE ACTIVITIES

STEEL STRUCTURE ERECTION

WELDING & FABRICATION

CUTTING & MACHINING

ASSEMBLY & PREPARATION

BOLTING & CONNECTIONS

SITE INSTALLATION & ALIGNMENT

TYPES OF PROJECTS WE EXECUTE

INDUSTRIAL BUILDINGS & WAREHOUSES

COMMERCIAL BUILDINGS & FACILITIES

INDUSTRIAL PLATFORMS & PIPE RACKS

CANOPIES & MISCELLANEOUS STEEL STRUCTURES

STAIRCASES, LADDERS & HANDRAILS

FENCING, GATES & METAL WORKS

OUR EXECUTION PROCESS

1 PROJECT KICK-OFF
Understanding client requirements and project scope.

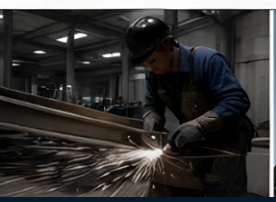

2 ENGINEERING & PLANNING
Detailed engineering, drawing review and method statements.

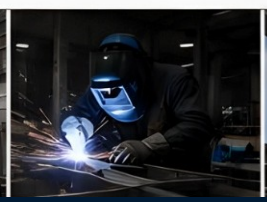

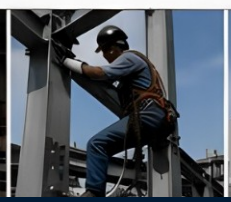

3 MATERIAL PROCUREMENT & FABRICATION
Material procurement and in-house fabrication with quality control.

4 DELIVERY & SITE MOBILIZATION
Timely delivery of materials and mobilization of resources to site.

5 INSTALLATION & EXECUTION
Safe erection, installation and supervision by experienced teams.

6 INSPECTION & HANDOVER
Final inspection, quality approval and handover to client.

SELECTED PROJECTS / PROJECT REFERENCES

We have successfully executed a wide range of projects across multiple sectors. Below are some of our key projects that reflect our capability, commitment to quality and timely delivery.

OUR FEATURED PROJECTS

Diriyah Project

- Heritage & Cultural Development
- Scope: Structural Steel, Metal Works & Architectural Features
- Value: Confidential
- Year: Ongoing

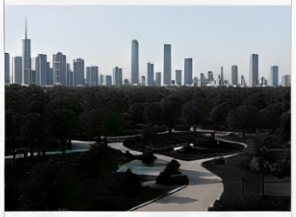

King Salman Park

- Urban Park & Landscape
- Scope: Steel Structures, Pergolas, Shading Systems & Metal Works
- Value: Confidential
- Year: Ongoing

KAFD Project

- Financial & Business District
- Scope: Structural Steel, Metal Facades & Finishes
- Value: Confidential
- Year: Completed

Green Riyadh Project

- Sustainability & Greening Initiative
- Scope: Steel Structures, Walkways, Shading & Metal Works
- Value: Confidential
- Year: Ongoing

Misk City Project

- Nonprofit City Development
- Scope: Structural Steel, Metal Works & Architectural Elements
- Value: Confidential
- Year: Ongoing

New Murabba Project

- Downtown Riyadh Development
- Scope: Structural Steel, Metal Works & Building Support Systems
- Value: Confidential
- Year: Ongoing

NEOM Project

- The Future of Living
- Scope: Structural Steel, Metal Works, Special Structures
- Value: Confidential
- Year: Ongoing

King Salman Knowledge District

- Education & Innovation District
- Scope: Structural Steel, Metal Works & Building Support Systems
- Value: Confidential
- Year: Ongoing

Royal Commission Project in Jazan

- Infrastructure & City Development
- Scope: Structural Steel & Metal Works
- Value: Confidential
- Year: Ongoing

Royal Commission Project for Jubail & Yanbu

- Industrial & City Development
- Scope: Structural Steel, Metal Works & Infrastructure
- Value: Confidential
- Year: Ongoing

TYPES OF WORK WE DELIVER

- Structural Steel Fabrication
- Steel Erection & Installation
- Metal Works & Finishes
- Architectural Metal Works
- Canopies & Pergolas
- Façade & Cladding Support
- Walkways & Handrails
- Shading Systems

CLIENTS & MAIN CONTRACTORS

We are proud to work with a diverse portfolio of clients and main contractors across various industries. Our commitment to quality, safety and timely delivery has earned us their trust and long-term partnerships.

OUR VALUED CLIENTS

- شركة الدرعية Diriyah Company
- حديقة الملك سلمان King Salman Park
- KAFD مركز الملك عبدالله المالي
- الرياض الخضراء GREEN RIYADH
- مسك Misk مؤسسة محمد بن سلمان Mohammed Bin Salman Foundation
- المربع الجديد NEW MURABBA
- نيوم NEOM
- الهيئة الملكية للجبيل وينبع Royal Commission for Jubail & Yanbu

OUR MAIN CONTRACTORS

- RTCC
- بنية BINYAH شركة بنية Saudi Real Estate Infrastructure Company
- السيف مهندسون مقاولون EL SEIF Engineering Contracting
- البواني AL BAWANI
- تحالف السيف وشاينا ستيت EL SEIF – CHINA STATE JOINT VENTURE
- سبك SAPAC شركة عبر المملكة السعودية (سبك) Saudi Pan Kingdom Co. (SAPAC)
- almabani المباني شركة الميباني Al Mabani
- IKK مجموعة عصام خيري قباني Issam Khairi Kabbani Group

BUILDING STRONG PARTNERSHIPS

COMMERCIAL & BUSINESS DISTRICTS

INDUSTRIAL & MANUFACTURING

GOVERNMENT & PUBLIC PROJECTS

INFRASTRUCTURE & MEGA PROJECTS

Our continued success is built on the trust of our clients and the support of our main contractors.
We remain committed to delivering excellence on every project, every time.

WHY AL RAYYAN / KEY STRENGTHS

At Al Rayyan Specialized, we go beyond construction. We deliver value, build lasting partnerships, and contribute to a stronger, more sustainable future. Our key strengths set us apart and empower us to turn complex challenges into successful, high-quality projects.

STRONGER TODAY FOR A BETTER TOMORROW

OUR KEY STRENGTHS

01

EXPERIENCED & QUALIFIED TEAM

A multidisciplinary team of skilled professionals with deep industry expertise and a strong track record in delivering complex projects.

02

COMMITMENT TO QUALITY

We adhere to the highest standards of quality in every aspect of our work, ensuring excellence, reliability and long-term value.

03

SAFETY FIRST

We maintain a strong safety culture, protecting our people, partners and communities across all project sites.

04

ON TIME DELIVERY

Our disciplined planning, efficient execution and proactive management ensure projects are delivered on schedule.

05

TECHNICAL EXPERTISE

Advanced engineering solutions, modern construction methods and continuous innovation enable us to overcome challenges and deliver the best results.

06

STRONG PARTNERSHIPS

We value long-term relationships with our clients, contractors and stakeholders, built on trust, transparency and mutual success.

07

SUSTAINABILITY FOCUSED

We are committed to sustainable construction practices that create positive environmental, social and economic impact.

08

FINANCIAL STABILITY

A solid financial base that supports consistent performance, enables growth and provides confidence to our clients and partners.

09

LOCAL KNOWLEDGE & NATIONAL VISION

Deep understanding of the Saudi market, regulations and culture, fully aligned with Vision 2030 and the Kingdom's development goals.

OUR STRENGTH
YOUR CONFIDENCE A STRONGER TOMORROW

PEOPLE
Our greatest strength and driving force.

QUALITY
Committed to highest standards in everything we deliver.

TRUST
Building long-term relationships based on integrity and respect.

COMMITMENT
Dedicated to delivering value and exceeding expectations.

LET'S BUILD SOMETHING GREAT TOGETHER

Whether you have a question, need a quote, or want to discuss a potential project, our team is ready to assist you.

We look forward to hearing from you.
